Quilters' Line

Retreat on Manitoulin Island Oct 6 - 9, 2008

Spend 4 days and 3 nights with Chrissie Nash & Trudi Wiley of Quilters' Line on Lake Manitou's north end. Our accommodation consists of cozy, heated cabins supported by a splendid Lodge which houses our dining room, lounge, and workshop area with a large stone fireplace and a view of the lake. Cabins are shared; each participant has her own bed; all have decks overlooking the lake. Fine chefs will prepare a hot buffet breakfast and a full course supper each day (www.manitoulin.com/redlodge).
