Quilters' Line

## Retreat on Manitoulin Island Oct 5 - 8, 2009

Spend 4 days and 3 nights with Chrissie Nash & Trudi Wiley of Quilters' Line on Lake Manitou's north end. Our accommodation consists of cozy, heated cabins supported by a splendid Lodge which houses our dining room, lounge, and workshop area with a large stone fireplace and a view of the lake. Cabins are shared; each participant has her own bed; all have decks overlooking the lake. Fine chefs will prepare a hot buffet breakfast and a full course supper each day ([www.manitoulin.com/redlodge](http://www.manitoulin.com/redlodge)).

**The project:** Over two days of instruction we will complete a lap quilt with *Bali-Pops™*, featuring forty 2½" x 44" pre-cut strips of luscious, colour co-ordinated batiks. No 2 quilts will turn out alike!
